

CPM PRINT AREA

The diagram illustrates the layout of a print area. It features a central rectangular region with a pink background, labeled '35 - 36'. This central area is surrounded by a yellow border, which is labeled 'CPM PRINT AREA' at the top left. The entire yellow-bordered area is contained within a larger, light blue trapezoidal frame. The text 'DTF & FLEX PRINT AREA' is located at the top left of the pink central area.
